

## **Jury Notice nr. 2**

### **Case 2 - iQFOIL Men - POL 28 and SGP 52**

The International Jury has learned that two of its members witnessed the incident from Case 02 involving POL 28 and SGP 52.

Those jury members were afloat at the time of the hearing and were therefore not available to give evidence.

In accordance with World Sailing Case 115, this evidence is 'new' and consequently the International Jury has decided that the conditions in RRS 66 have been met and the case will be re-opened.
